From some parking lots you can ride Trax for free

Please remember to wear your nametags to help everyone become more acquainted.

Security will need to see our nametags to admit us to some venues.

Please bring bottled water, camping chairs if you have them, sunblock, and bug repellant. Parking will be crowded, carpool if possible.

Location and Directions

The Heber Valley Camp is located in the mountains southeast of Heber, adjacent to the Timberlakes subdivision.

Directions from the North

1. Take Interstate 80 to Highway 40, just east of the Park City exits. Turn south on Highway 40, go past the Jordanelle Reservoir and through downtown Heber City until you come to 1200 South. Turn left (east).
2. Proceed east on 1200 South for about 5 miles to the end of the road (6400 East).
(Be careful - the speed limit in this section is only 30-35 mph and the Heber police do patrol the road!)
3. The wide road to the right (south) is the main access road to the camps. Follow the paved road four miles to the Welcome Center.

Directions from Utah County and Points South

1. Take Provo Canyon east to Heber City. When you reach the intersection with Highway 40, keep going straight (east) through the signal light. This road becomes 1200 South.

Directions from the Uinta Basin

1. Take Highway 40 west to the first signal light in the Heber Valley. Turn right (east). This is 1200 South.
2. Continue traveling east on this road approximately 5 miles to 6400 East where the road ends.
