Checking up on the Smith Family lilacs at The Trail Center at Historic Winter Quarters

The family had a chance to view the art display in the basement of The Trail Center

Omaha help from Carol Scott included quotes from Joseph Smith Jr. as decorations on the tables as a great way to reflect on the need to be unified as a family

Much of the socializing took place before and after meals

Ed and Gina Greene with daughter, Chelsea Greene, drove one hour to come and meet Gracia and Ivor Jones and be with the family
