9:00 am.... Gather for Music and The Spoken Word

Everyone 8 and older should meet by the fountain (currently without water) in the lobby of the Conference Center by 9:00 a.m. Two hosts will greet our group and take us to our seats. Be on time as we need to be seated well before Music and The Spoken Word begins.

Parents can take children under the age of 8 to the observation room at the back of the conference center's main floor to watch the broadcast with them.

9:30 am..... Music and The Spoken Word

Please remain in your seats after the program.

“O God,

let the residue of my father's
house...ever come up in remem-
brance before thee and stand
virtuous and pure in thy presence,
that thou mayest save them from
the hand of the oppressor, and
establish their feet upon the rock of
ages, that they may have place in
thy house and be saved
in thy kingdom,
even where God,
and Christ is,
and let all these things be
as I have said, for Christ's sake,
Amen.”
